6. Within the City limits of West Fargo it shall be nuisance if the Building Inspector determines that any existing or future excavation or embankment or cut or fill on private property has become a hazard to life or limb, or endangers property, or adversely affects the safety, use, or stability of a public way or drainage channel or has a significant adverse impact on the

drainage of water along its natural course resulting in the creation of stagnate water or the unnatural accumulation of water upon the property of another.

7. The permit from the Building Inspector authorized by Sections 15-0311(3) and (4) shall not be granted unless the following conditions are met:
 - (a) A permit fee in the amount of \$25 is paid to the Building Inspector.
 - (b) No real estate taxes are delinquent on the real property covered by the application.

Except where otherwise provided in this chapter, if any person within the limits of the City of West Fargo shall permit or suffer on his premises or premises of which he may be the occupant, any nuisance the Board of City Commissioners, any member of the Board of City Commissioners, or such persons authorized by the City Commission shall cause notice to be given such person to remove or abate such nuisance. The notice shall set forth specifically the nuisance to be removed and the period of time in which it must be removed. The time period allowed for abating the nuisance shall not be less than forty-eight (48) hours after notice shall have been given, provided, however, that the time period may be less if the nuisance has caused or may cause death or injury to any person within the City of West Fargo. Provided further, that the provisions of this section shall in no way abrogate or restrict any emergency authority granted to the Board of City Commissioners or other emergency authority delegated to and exercised by persons duly authorized by the Board of City Commissioners.

15-0313. FAILURE TO REMOVE - PROSECUTION. If any person, as owner or occupant of any lot or tenement, after notice as provided in Section 15-0312, neglects or refuses to remove or abate the nuisance, the person giving such notice shall notify the City Attorney, who may commence prosecution of the offense in the West Fargo Municipal Court or seek injunctive relief in any courts of the State of North Dakota.

15-0314. FAILURE TO REMOVE - CIVIL PENALTY. The City official who sent notice of removal or abatement of a nuisance, may, in addition to the remedies set out in the previous section, if the nuisance is not abated within the time period set out in the notice, send notice to the violator of a hearing to be held by the City Commission to determine whether or not City officials should be directed to abate the nuisance. The violator must be given five (5) days written notice of the time of the hearing. If at that hearing the Commission determines that City officials should abate the nuisance, the Commission shall direct employees of the City to do so, and direct that all costs and expenses incurred in that abatement shall be assessed against the property concerned by the City Auditor. Provided, however, if the City official determines that the nuisance presents a clear and present danger of injury or death to a person in West Fargo, that official can direct City officials to abate the nuisance immediately without the need for Commission action. Once each year, after written notice to all violators, the Board of City Commissioners shall review all such assessments and hear all complaints against the same and approve the assessments as finally determined by the Board of City Commissioners. Such special assessments shall then be certified to the County Auditor and be placed upon the tax roll for that year and to be collected as other taxes. The decision of the City Commission or City official to abate the nuisance in no way relieves the violator of prosecution under the prior section.

15-0315. PENALTY. Any person violating any section of this chapter shall be guilty of an infraction and shall be subject to the penalties set forth in Section 1-0211. Each forty-eight (48) hour period such violation continues shall be considered a separate offense.

2. City Health Officer.

2. A Barnebey-Cheney Scentometer properly maintained, or other instrumental method as approved by the State Health Department, must be used in determination of the intensity of an odor. An odor will be considered objectionable when at least two inspectors which have been certified by the State Health Department deem that odor objectionable if the odor were present in a place of residence. An "odor concentration unit" means the maximum number of standard units of odor-free air diluting a standard unit of odorous air so that the certified inspector can still detect that objectionable odor in the diluted mixture.
3. No person may discharge into ambient air hydrogen sulfide (H₂S) in concentrations that would be objectionable on land owned or leased by the complainant or in areas normally assessed by the general public. It

shall be deemed a nuisance if two (2) samples with concentrations greater than 0.05 parts per million (50 parts per billion) are sampled at least 15 minutes apart within a 60-minute period. For measuring emissions of hydrogen sulfide, an ambient air analyzer designed for monitoring hydrogen sulfide must be the method used for determining the concentrations of emissions at the point of measurement, or other instrumental methods as approved by the North Dakota State Health Department.

4. The certified inspectors, in operating the Scentometer, an air analyzer designed for monitoring hydrogen sulfide, or other instrument approved by the State Health Department, must follow North Dakota State Health Department guidelines and procedures in conducting such test.
5. For purposes of this section, if a notice to remove or abate a nuisance is given, the odor nuisance will not be deemed to have been abated unless there are no further violations of Section 15-0317 for a period of thirty (30) consecutive days.

15-0318. NUISANCES ON PARK PROPERTY.

3. The Superintendent of the West Fargo Park District, or any other Park District employee designated by the Superintendent shall have the authority to issue letters to violators of this section. If the violation is not abated within the time set forth in the Notice of Violation, the City Attorney is authorized to prosecute such offenses in the West Fargo Municipal Court. All other procedures and penalties set forth in this chapter are applicable to this section unless in conflict, in which case this section prevails.

When the Health Department has revoked a recreational aquatic facility license, the person in charge:

1. Shall immediately close the pool for use by anyone;
2. Shall be notified in writing by the Health Department that the recreational aquatic facility license is immediately revoked upon service of the notice and the suspension shall remain in effect until a hearing with the Health Department occurs. 2. The strict application of the applicable standards or regulations will constitute an unnecessary hardship;
3. The strict enforcement of any provision of this chapter, or of the rules and regulations promulgated pursuant to this chapter would be unreasonable, impractical, or not feasible under the circumstances;
4. The variance desired will not adversely affect the public health, safety, or general welfare; and
5. The variance is the minimum variance that will overcome the hardship.

In granting the variance, the Director of the Health Department or designated health official may include such conditions as may be reasonably necessary to maintain the general purpose of these rules and regulations and the interest of applicable local, state, or federal laws.

15-0411. APPEALS. Any person aggrieved by a decision of the Health Department or one (1) of its officials, including, without limitation, an order or denial of an order, or by the denial of a permit or a variance, may appeal such decision by filing a notice of appeal with the Director of the Health Department.

Appeals of final decisions made pursuant to the procedures of this chapter must be filed within ten (10) days of the date of the decision. Said appeal must be in writing and shall be submitted to the Director of the Health Department. The owner or occupant must show good cause for any such extension. Such extension shall be dependent upon the owner's assurance that the affected parts of the structure will not be occupied pending appropriate cleanup or demolition.

15-1011. DUTY TO NOTIFY HEALTH OFFICER OF PROSPECTIVE CHANGE IN OWNERSHIP. During the time that an order of abatement is in effect for an affected site, the site owner shall inform the health officer of any prospective change in ownership of the affected site.

15-1012. SITE OWNER'S RESPONSIBILITY FOR COSTS. The site owner shall be responsible for all costs associated with nuisance abatement and of cleanup of the site, including contractor's fees and public costs for services that were performed in association with a clandestine drug lab site or chemical dump site cleanup. Public costs may include, but are not limited to:

- A. Posting of the site;
- B. Notification of affected parties;
- C. Securing the site, providing limited access to the site, and prosecution of unauthorized persons found at the site;
- D. Expenses related to the recovery of costs, including the assessment process;
- E. Laboratory fees;
- F. Cleanup services;
- G. Administrative fees; and
- H. Other associated costs.

15-1013. SITE OWNER'S FAILURE TO ABATE PUBLIC HEALTH NUISANCE - CITY'S AUTHORITY TO ABATE.

- A. If the site owner fails to organize and implement appropriate cleanup and remediation efforts within twenty (20) business days of the date the abatement order is mailed to the site owner, or if the site owner otherwise fails to comply with this ordinance, the health officer is authorized to proceed in a prompt manner and to take all reasonable actions necessary to abate the public health nuisance, including, but not limited to contracting with a City-approved environmental hazard testing and cleaning firm to conduct the work listed in section 15-1009.
- B. If the City is unable to locate the property owner within ten (10) days of the declaration of public health nuisance, the City is authorized to proceed in a prompt manner to initiate the onsite assessment and cleanup.
- C. If the estimated costs associated with cleanup and remediation of real or personal property at the site exceeds fifty percent (50%) of the County Assessor's market value of the structure and land, the City may exercise its authority under the Revised Ordinances of 1990 of the City of West Fargo, Chapter 5-02.

15-1014. NOTICE FILED WITH PROPERTY RECORD AND/OR MOTOR VEHICLE RECORD.

- A. If the site owner fails to organize and implement appropriate cleanup and remediation efforts within twenty (20) business days of the date the abatement order is mailed to the site owner, or if the site owner otherwise fails to comply with this ordinance, the health officer is

authorized to provide a copy of the declaration of public health nuisance and abatement order to the County Recorder and to the lien and/or mortgage holders of the affected site to help assure that persons with interest in the site have access to information about the declaration of public health nuisance.

- B. When the affected property is a motor vehicle, boat, or trailer, the health officer is authorized to notify the appropriate state and local agencies that maintain motor vehicle, boat, or trailer records, and the holders of liens or security interests against the vehicle or trailer, of the declaration of public health nuisance and order of abatement.

15-1015. RECOVERY OF COSTS BY CITY. If the City abates the public health nuisance, in addition to any other legal remedy, the City shall be entitled to recover all of its costs plus an additional 25% of the costs for administration. The City may recover costs by civil action against the owner of the site or by assessing such costs, together with any amendments or modifications thereto.

15-1016. RECOVERY OF COSTS FROM PERSONS CAUSING DAMAGE. No provisions of this ordinance are intended to limit the site owner's, residents' or the City's right to recover costs incurred under this ordinance from either the persons contributing to the public health nuisance, such as the operators of the clandestine drug lab, and/or from other lawful sources.

15-1017. SITE OWNER AND ADDRESS. For purposes of this chapter, when the site is real property and the owner or the address of the owner of the site is unknown, the owner and the owner's address is deemed to be that of the property's taxpayer's name and address as that information is maintained by the County Auditor's office. When the site is a vehicle, boat or trailer and the owner or the address of the owner of the site is unknown, the owner and the owner's address is deemed to be that of the person on file as the owner on the current or most recent title to the vehicle, boat or trailer.

15-1018. OCCUPATION PROHIBITED. It shall be unlawful for any person to occupy, enter, or allow occupancy or entrance to a building or structure declared a public health nuisance until such declaration is vacated or modified. In a situation involving a vehicle, it shall be unlawful for any person to enter or otherwise operate a motor vehicle declared a public health nuisance until such declaration is vacated or modified. This provision does not apply to the health officer, his designees, to law enforcement authorities, or other City officials.

15-1019. REMOVAL OF PERSONAL PROPERTY FROM THE SITE. While a declaration of public health nuisance has been posted at the site, no personal property may be removed from the site without prior written

consent from the Health Officer. Consent to remove personal property shall only be granted at the reasonable discretion of the Health Officer, and only in cases of hardship after:

- A. A City-approved environmental hazard testing and cleaning firm has advised the City, in writing, that the item(s) of personal property can be sufficiently cleaned to remove all harmful contamination; and
- B. The owner of the personal property agrees in writing:
 - 1. That the owner is aware of the danger of using the contaminated property;
 - 2. That the owner will thoroughly clean the property to remove all contamination before the property is used; and
 - 3. That the owner releases and agrees to indemnify the City, its staff, and the Board of City Commissioners from all liability to the owner and/or third persons for injuries or damages caused, or alleged to have been caused, by the contaminated property.

15-1020. REMOVAL OF POSTED DECLARATION OF PUBLIC HEALTH NUISANCE. It shall be unlawful for any person, except the Health Officer or other authorized City personnel, to remove or alter a posted declaration of public health nuisance or an order of abatement from a chemical dumpsite or a clandestine drug lab site.

15-1021. HEALTH OFFICER'S AUTHORITY TO MODIFY OR REMOVE DECLARATION OF PUBLIC HEALTH NUISANCE OR ORDER FOR ABATEMENT. The Health Officer may modify or remove the declaration of public health nuisance and related order for abatement. Such modification or removal shall only occur after the Health Officer receives documentation from a City-approved environmental hazard testing and cleaning firm stating that the suspected health and safety risks, including those to neighbors and potential dwelling occupants, either do not exist or have been sufficiently abated or corrected to justify amendment or removal of the declaration. In addition, prior to the Health Officer allowing occupancy of the site or structure, the site owner shall execute a covenant in recordable form identifying the property as a clandestine drug lab site which has been remediated and such covenant shall be recorded in the County Recorder's office. When the declaration or order of abatement is modified or removed, the Health Officer shall forward that information to the County Recorder to be included in the property record if notice of the nuisance declaration was previously filed with the County Recorder as described above. Notice shall also be provided to the motor vehicle or other license records agencies and lien holders if a notice had previously been provided to them.

15-1022. VIOLATIONS AND PENALTIES. Any person violating any provision of this ordinance shall be guilty of a class B misdemeanor and upon conviction shall be subject to the penalties set forth in Section 1-0211 of the Revised Ordinances of 1990 of the City of West Fargo. In addition, the City shall be entitled to seek any other remedy available at law or in equity in order to protect the health, safety, and welfare of the community, including temporary and permanent injunctions.

When any license is suspended or revoked by the Health Department pursuant to the provisions of this section, or when the licensee voluntarily ceases business, no portion of the license fee previously paid shall be returned to the licensee or to anyone claiming under or through the licensee.
 4. No license issued under the provisions of this chapter shall be suspended or revoked for cause by the Health Department without a public hearing. In the event that the Health Department intends to consider the suspension or revocation of any license for cause, it shall notify the licensee of its intention to consider the same. 15-1401. DEFINITIONS. For purposes of this chapter, certain words and phrases used herein are defined as follows:

1. "Ambient noise" is the all-encompassing noise associated with a given environment, being usually composite of sounds from many sources, near and far.
2. "'A' band level" is the total sound level of all noise as measured with a sound level meter using the "A" weighing network. The unit measurement is the dB(A). "dB" is the abbreviation for the decibel. "dB(A)" is a weighted decibel which closely approximates the human ear response to sound.
3. "Bel" is the common logarithmic value of any sound intensity as related to the standard threshold of audibility (minimum detectable sound 10-12 watts per square meter).
4. "Cycle" is the complete sequence of value of a periodic quantity that occur during a period.
5. "Decibel" is one-tenth (1/10) of a bel as measured on the "A" scale of a standard sound meter.
6. "Emergency work" is work made necessary to restore property to a safe condition following a public calamity or work required to protect persons or property from an imminent exposure to danger.
7. "Emergency vehicles" are those vehicles such as ambulance, fire, police, and other city vehicles operating in time of emergency.

8. "Frequency" of a function periodic in time is the reciprocal of the primitive period. The unit is the cycle per unit time and must be specified.
9. "Motor sports facility" is any facility, track, or course upon which racing events are conducted.
10. "Motor sports facility owner" is the owner or operator of a motor sports facility or an agent or designee of the owner or operator. When a racing event is held on public land, the event organizer (i.e., promoter) shall be considered the motor sports facility owner for the purpose of this article.
11. "Noise" is any sound which is unwanted and which causes or tends to cause an adverse psychological or physiological effect on human beings.
12. "Person" is a person, person's firm, association, co-partnership, joint venture, corporation, or any entity public or private in nature.
13. "Property boundary" is the imaginary line exterior to any enclosed structure, at the ground surface and its vertical extension, which separates the real property owned by one person from that owned by another person.
14. "Sound-level meter" is an instrument including a microphone, an amplifier, an output meter, and frequency weighing networks for the measurement of noise and sound levels in a specified manner.

15-1402. UNNECESSARY NOISE PROHIBITED. It shall be unlawful for any person to make any loud, unnecessary or unusual noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others within the limits of the City of West Fargo.

15-1403. UNLAWFUL NOISE - DETERMINATION. The standards that will be considered in determining whether a violation of Section 15-1402 exists shall include, but shall not be limited to, the following:

1. The volume of the noise.
2. The intensity of the noise.
3. Whether the nature of the noise is usual or unusual.
4. Whether the origin of the noise is natural or unnatural.
5. The volume and intensity of the background noise, if any.

15-1404. PROJECTION OF SOUND UNLAWFUL. It shall be unlawful to project a sound or noise, excluding noise emanating from a moving motor vehicle, from one (1) property into another within the boundary of a use district which exceeds the limiting noise criteria set forth in Table 1 below. Noise level will be measured at the property boundary or at any point within the property affected by the noise.

1. Sound or noise projecting from one (1) use district, into another district with a different noise level limit, shall not exceed the limits of the district into which the noise is projected.
2. The permissible levels in decibels set forth in Table 1 below shall be modified so that any noise occurring on property deemed to be nonconforming use property shall be determined upon the conforming zoning designation of the property.

TABLE 1. LIMITING NOISE LEVELS FOR ZONING DISTRICTS

	Zoning District			
	Residential R-1A, R-1B, R-1, R-2, R-2A, R-3, R-3A, R-4	Public and Agricultural A, P, P-1	Commercial C-1, C-1A, C-2, C-2A, C-2B	Industrial M-1, M-1A M-2
Maximum number of decibels per- mitted from 6:30 a.m. to 10:00 p.m., daily	55	55	65	80
Maximum number of decibels per- mitted from 10:00 p.m. to 6:30 a.m. of the following day	50	50	60	75

15-1405. EXEMPTIONS. The following uses and activities shall be exempt from noise level regulations:

1. Noises of safety signals, warning devices, and emergency relief valves.
2. Noises resulting from any authorized emergency vehicles, when responding to an emergency call or acting in time of emergency.

3. Noises resulting from emergency work as defined in Section 15-1401.6.
4. Any other noise resulting from activities of a temporary duration permitted by law and for which a license or permit therefor has been granted by the City in accordance with Section 15-1406.
5. Any regulation of railroad noise will be subject to the following:

Title 40, Code of Federal Regulations, part 201:

1. 201.1 (c), (m), (p), (t), (aa), (dd), (ee)

6. 201.22, 201.23, 201.24

15-1406. APPLICATION FOR SPECIAL PERMIT. Applications for a permit for relief from the noise level designated in this Section on the basis of undue hardship may be made to the City Administrator or his duly authorized representative. Any permit granted by the City Administrator hereunder shall contain all conditions upon which said permit has been granted and shall specify a reasonable time that the permit shall be effective. The City Administrator, or his duly authorized representative, may grant the relief as applied for if he finds:

1. That additional time is necessary for the applicant to alter or modify his activity or operation to comply with this Section; or
2. The activity, operation, or noise source will be of temporary duration, and cannot be done in a manner that would comply with other subsections of this Section; and
3. That no other reasonable alternative is available to the applicant; and

1. No motor sports facility owner and no person owning or controlling a sports car racing vehicle, a drag racing vehicle, an oval course racing vehicle, a motorcycle racing vehicle, a snowmobile racing vehicle, or a modified competitive farm tractor shall cause or permit its

operation at any motor sports facility unless the vehicle is equipped with a properly installed and well maintained muffler or noise-disipative device and noise emissions from its operation do not exceed 105 db(A) at trackside or 105 db(A) at twenty (20) inches (five-tenths (.5) meters) from the exhaust outlet during the stationary measurement procedure.

2. No motor vehicle sports facility owner and no person owning or controlling a racing vehicle shall permit its use or operation at any time other than the following:
